

In support of LD1941

Good Afternoon Sen. Carney, Rep. Amy Kuhn and Honorable members of the Judiciary Committee,

My name is Thomas Bonfanti, DOC #170689. I am providing testimony in support of LD1941, an act to support reentry and reintegration into the community. I have been incarcerated for 5 ½ years. It has caused immense stress on my family and community. I believe I would help this state a lot more if I could contribute and not be a liability. I have been a model prisoner and would like to be given the opportunity to get a second chance. This is my first and last offense, on my word.

Thank you for reading this and hopefully considering my opinion.

Sincerely,

Thomas Bonfanti
