LD 287

On behalf of the East Coast Greenway Alliance, I would like to express support for LD 287 - An Act to Require and Encourage Safe and Interconnected Transportation projects. ECGA encourages a transparent selection process to maximize return on investment for all transportation projects in the state. We strongly support active transportation, trails, and trail tourism, and recognize the benefits that LD 287 could provide in all of these areas. Thank you in advance for your consideration.
