RE: IMMEDIATELY FORWARD TO JUSTICE BILLINGS –
DREW PIERCE PERJURY, ANDY LORD PERJURY,
MOTION TO RECUSE, JUDICIAL COMPLAINT AND
REQUEST TO FORWARD THE COURT RECORD TO DA
TO PURSUE PERJURY AND FRAUD CHARGES!!

Drew Pierce and Janice Lariviere v. Anthony Michael Rinaldi and Southern Maine Construction

Docket No. CV-2021-138

Dear Clerk. Sawyer,

The Plaintiffs have admitted to lying in court and the Defendant brought this to the courts attention almost 2 months ago and yet nothing has happened. Furthermore, Attorney Monteleone has now conceded that his client committed perjury but claims it's ok because the house is 200 miles away. The house purchased was similar size, similar finishes, similar price so

it's unconscionable that Attorney Monteleone is not correcting the record or being held accountable for his actions!!! Defendant is filing a Motion to Reconsider Recusal as well as a Judicial Complaint and possibly a Federal 1983 Section 42 Civil Rights Lawsuit against the courts and BernsteinShur so given the fact that such an egregious miscarriage of justice occurred he requests that this case be transferred to an impartial judge because the Defendant can prove a bias exists without question. It's unconscionable that the plaintiffs essential won without having any evidence and after telling 5 stories and they weren't required to explain any of their fraudulent conduct. This case will go down in history and regardless what happens the Defendant has the truth on his side and will continue to seek justice in some way shape or form.
