LD 1923

Senator Beebe Center, Representative Tavis Hasenfus and Honorable Members of the  
Criminal Justice and Public Safety Committee

Please use LD 1923 to Close Long Creek

Troubled and vulnerable kids are all still kids.

They need what all kids need, in fact what all of us need,  
a safe loving space to grow into our best selves.

This is not the environment or culture at Long Creek

Close this toxic militaristic violent space. It costs millions in dollars to run & more in  
lawsuits. It is most costly in the lives of children who deserve our best care and  
efforts.

Use LD 1923 as the legislation to Close Long Creek
