This is sandy Caldwell I just need child and family services for reunification for my son Ryan lee smith he has Down syndrome and he wears diapers and he is same as if he was a child and he needs reunification and I would like child and family services for both of my developmental disabled adults and I'm an aunt of Anthony Bailey and he has severe autism and I don't want no more adult protective services I just want child and family services and they can help petition to get parental rights of my adult Down syndrome son named Ryan I cry everyday knowing that my adult child with Down syndrome can get taken away and it's trauma for my Down syndrome child over 18 years old and he is over 18 years old and adult protective services don't do reunification services like child and family services does and I don't want adult protective services anymore I rather have child protective services give me support for my adult kids over 18 years old especially when they are severe developmental disabilities like my Down syndrome son Ryan please ought to pass as amended
