Sen. Baldacci, Rep. Salisbury, and members of the Committee on State and Local Government -

My name is Sara Goldberg and my husband Barry Goldberg and I are proud residents of St. George in Knox County.

We would like to testify in support of Representative Pluecker's bill: LD 2158 An Act to Address Vacancies on the Knox County Budget Committee.

As residents of Knox County we believe it is important to have our county budget committee fully supported not only by our local municipalities, but also by the State. We ask that you support the passage of this emergency bill so that the County may move forward with its budgeting process which will impact all of the local municipal budgets as well.

Having a fully operational Budget Committee at the County level will ensure that there is adequate experience and knowledge in order to put forward a County Budget for the next fiscal year that is in line with local and regional expectations and priorities.

Respectfully,
Sara and Barry Goldberg
