I would like to see an increase permanently in wages for DSPs. DSP do the work of several people making sure specific diets are followed. Ensuring the safety of multiple clients at once. Job coaching life coaching managing appointments everyday activities. Ensuring clients are meeting the pcp goals. Ensuring folks are clean fed getting to all medical appointments. Dealing with violent adults at times making sure to follow the behavior plan and trying to ensure everyone's safety the client the public and themselves. Often over worked and under paid.
