We believe that Mainers do NOT want to support the genocide in Palestine!!( or anywhere) It would seem that there are other investments that this state could make that would NOT support violations of human rights; and still bring in the \$\$\$ that Maine needs. It is time to take a stand for the freedom, that we as Mainers, all believe in!! We can be the first state to send the message loud and clear-MAINE DOES NOT SUPPORT GENOCIDE-MAINE DOES STRONGLY SUPPORT HUMAN RIGHTS!!! It is the right thing to do and we ask for you very thoughtful consideration of our serious concern.  
Thank you.
