

Phyllis Chinlund  
Brunswick  
LD 2106

Dear Senator Carney,

I am a resident of a Retirement Community in Brunswick. I am aware that several members of our staff are frightened by the aggressive threats of deportation, even for those who are legal residents. I don't blame them. Please do everything you can to move forward with LD 2106 to provide some improvement in security for our valuable immigrants.

Thank you

Phyllis Chinlund
