Judiciary Committee  
State House Augusta ME

Re: LD 2106

Dear Members of the Judiciary Committee,

My name is Annette Naegel, resident of Rockland Maine. I have lived in this state for the past 40 years and have found Maine's inclusivity to be one of its hallmarks as a State. No State however at this time should be intimidated to allow Federal agencies to interfere with keeping the peace and protecting citizens in their states, by disclosing non-public records without proper authority. I am writing to voice my support for LD 2106, to ensure ICE can't enter public spaces including Maine Schools, Daycares, Healthcare facilities or Libraries without a valid judicial warrant. It is our right as a State to ensure the safety of our citizens, and without a proper warrant no Federal Agency personnel should be allowed to overstep those bounds. Please vote to support this Bill and ensure there is no interference with our democracy by federal ICE agents.

Sincerely,

Annette Naegel
