LD 2106

Good afternoon,

My name is Darcy Cooke and I am a resident of Bangor, Maine. I am testifying in support of LD2106, "An Act to Prohibit the Disclosure of Nonpublic Records Without Proper Judicial Review." We have all witnessed how poorly trained, violent, inept, cruel, and (let's be real) incredibly racist ICE and Border Patrol "agents" are. Anything we can do to help keep our neighbors safe- anything at all- we should absolutey be doing. Thank you to the people who have brought this bill forward. I strongly urge this committee to vote in favor of LD2106. Thank you for your time.
