My name is Hilary W. Ware. I am a registered voter from Norway, ME.

Today I am writing in SUPPORT of LD 2106, An Act to Prohibit the Disclosure of Nonpublic Records Without Proper Judicial Review.

This testimony is presented for the Public Hearing scheduled for 29 Jan 2026 at 1:00 PM.

I am proud to be a Maine and United States citizen, proud to have served in the Army Nurse Corps in South Korea and Fitzsimmons Army Hospital in Colorado, and a concerned mother and grandmother.

This proposed law has been drafted out of necessity, and due to unlawful activities by Federal law enforcement agents from the Dept. of Homeland Security, newly arrived in our state. It will serve, when passed, to remind these visitors (and any who would assert their own 'immunity') of our citizens' and residents' state and Constitutional rights of privacy and safety.

Mainers do not welcome unlawful invasion of privacy, especially without due process, or any modicum of respect. Mainers do not need to resort to threats and brutality to try and effect change. We already have a far more effective vehicle in the US Constitution. Thank you for considering this testimony.
