LD 2106

January 28, 2026

I am Patricia Riley. I live in Ellsworth Maine. I wish to submit testimony on LD 2106 An Act to Prohibit the Disclosure of Nonpublic Records Without Proper Judicial Review. I strongly support the passage of this bill. It will help protect Maine citizens from the atrocities being imposed on American citizens and immigrants across our country by federal agents. We must do all we can to protect our constitutional rights. Please, I urge you to pass this bill.

Thank you,
