Bill LD 2106, An Act to Prohibit the Disclosure of Nonpublic Records Without Proper Judicial Review.

I am writing in support of this bill.

This bill is important to ensure proper judicial review of ICE operations in Maine, preventing ICE from conducting immigration enforcement without a valid judicial warrant in schools, hospitals and healthcare facilities, daycares, and libraries. LD 2106 also prevents ICE from obtaining private records in the event they enter nonpublic areas of these spaces.

Every Mainer, regardless of immigration status, should be able to attend school, go to a doctor's appointment, or simply visit their local library without fear or the threat of intimidation from ICE.
