LD 2106

My name is Blair Hartley, and I live in Scarborough, Maine. I am writing in support of Bill LD2106 for the hearing on January 29th at 1:00 PM. In the past year I have seen, both online and from the people I am close to, the incredible stress and fear that ICE has caused to innocent people. What they're doing unlawful, immoral, and indefensible. They take innocent people, including young children, away from their family, friends, and homes in the name of safety, even though their unchecked power has caused far more harm than good. I hope you listen to me, the countless others testifying today, and the thousands of innocent people who live in constant fear of ICE, and help protect our state.

Thank you for your time,
Blair Hartley
