Dear Senator Carney, Representative Kuhn, and members of the Judiciary Committee,
I am writing to request your support on LD 2106 to Protect Maine's Public Schools,
Hospitals, Daycares, and Libraries from ICE.

This is a pivotal moment in our state and country's history and we need to be united in supporting the individuals, communities and institutions that teach, protect and serve each of us. As someone who has worked within our community, I have seen first hand how 'othering' of people can be so very harmful. We need to take care of the staff and those accessing our institutions and stand up against the federal administration who is making decision after decision to harm and hurt and degrade individuals and communities by lying and falsifying information and statistics.

Thank you for listening to the community and taking care of each of us so that we can stand up and fight against the administration and take care of each other along the way.

With gratitude,
Fiona Mason, MSW
