

Kyle Bloomstein
Durham
LD 2106

Good Afternoon, my name is Kyle Bloomstein, and I reside in Durham, ME. It is very important to me personally that you pass LD 2106. I personally witnessed an ICE abduction in front of Best Buy at the Maine Mall South Portland on Friday Jan 23, 2026. I was shopping at the Mall and on my way to pick up my son at the gym. These acts are unconstitutional, violate Mainers civil liberties and casing undue harm to our communities. Please contact me via telephone if you'd like any more information.

Sincerely,
Kyle Bloomstein
