LD 2106

As a Licensed Clinical Social Worker, and your constituent, I urge you to support LD 2106. I am witnessing firsthand how fear of immigration enforcement is preventing families from accessing schools, healthcare, food access, and other critical services. I'm seeing in my neighborhood how children are missing school, medical needs are going unmet, and abuse is going unreported. This harms everyone in our community and directly contradicts our professional responsibility and ethical duty to promote wellbeing and access to services. LD 2106 ensures due process while protecting the places where vulnerable people seek help. Please vote YES on LD 2106.
