

Mallory Cook  
South Berwick  
LD 2106

Members of the Judiciary Committee,

My name is Mallory Cook, and I am writing in strong support of LD 2106.

LD 2106 restores common-sense protections that keep essential spaces safe and accessible. Schools should be places of learning, hospitals places of care, and places of worship places of refuge — not fear.

This bill does not stop immigration enforcement. It simply draws reasonable boundaries that protect public health, public safety, and human dignity. When people trust institutions and feel safe accessing essential services, our entire community is stronger.

I urge the committee to support LD 2106.

Thank you for your time and consideration.

Respectfully,  
Mallory Cook
