LD 2106

I am writing to express my strong support for LD 2106, legislation that would protect Maine's schools, libraries, childcare centers, and healthcare facilities. These community pillars provide core services that keep our state functioning. LD 2106 upholds legal standards while making these core services safe and accessible.

I urge you to support LD 2106 and to stand up for the safety and well-being of your constituents.
