LD 2141

Dear Legislators

As a resident of Wayne, member of Pocasset Lake Association and a property owner on Pocasset Lake, I'm writing to ask your support for LD 2141. The health of Maine lakes is critical to our economy and natural resources that need all of our efforts to protect. My family has enjoyed Pocasset lake for generations. Our children and now grandchildren continue to visit and enjoy all that Pocasset has to offer. We are seeing first hand the increasing challenges due to climate change. We know it is not a matter of "if" but a matter of "when" our lake is directly impacted. The funding proposed from bottle redemptions is an easy way to support lake quality.

Sincerely  
Annie M.
