

Senator Carney, Representative Kuhn, and Members of the Judiciary Committee,

I am writing today in support of LD 2106, which would restrict federal immigration enforcement from entering hospitals, libraries, daycares, and schools without a judicial warrant. These places serve as critical resources for thousands of individuals and families in our state. But many of our neighbors are too afraid to access these spaces because of the recent indiscriminate, violent actions of ICE. By restricting ICE's access to these community places, we can ensure that everyone can use these important services without fear.

It is integral to the democratic framework of our society that people be safe from discrimination, violence, and terror.

Please support LD 2106, and ensure that Maine's schools, libraries, healthcare centers, and daycares are a safe place for all who need them. Thank you for your time and consideration.
