Dear Members of the Judiciary Committee,

My name is Katie Dyer. My family has lived in rural Maine for generations. I am asking you to please pass this bill to protect our state.

I truly cannot believe I am submitting testimony to ask my state to protect our citizens. I am writing to ask you to protect my neighbors, public workers, and local children. I cannot express how fearful I am as a mother to have to do this. What's next?

I believe that schools, healthcare facilities, childcare centers, and libraries should be safe and welcoming places for all people, including immigrant families, without fear of immigration enforcement entering UNLAWFULLY without a judicial warrant. Our communities deserve protection and we deserve the freedom to feel safe here. Allowing access only with proper judicial oversight helps protect privacy, builds trust in our public institutions, and ensures that federal enforcement is carried out fairly and transparently.

Please vote to pass this bill to protect our communities.

Thank you for your time.
