

TESTIMONY IN **SUPPORT OF LD 2106**, JOSEPH SITES, LEEDS MAINE

I'm 55 years old. I was born and raised in Lewiston. Growing up, there wasn't much diversity. I went to West Africa in the Peace Corps. Upon returning, Lewiston has become much more diverse thanks to the immigrants. It's been wonderful for everyone. ICE is trying to destroy this diversity. I'm STRONGLY opposed to the tactics being used by ICE.

I SUPPORT this bill, LD2106, as a first step in protecting our communities from the terrible acts being committed by ICE in our state and our country. You should too.
