LD 2106

Members of the Judiciary Committee, I am submitting this written testimony in SUPPORT of LD 2106 An Act to Prohibit the Disclosure of Nonpublic Records Without Proper Judicial Review. I am opposed to the recent reported actions of federal agents here in Maine carrying out "Operation Catch of the Day." They are behaving in ways that instill fear in our communities and that particularly target people of color regardless of their immigration status. Please approve this bill to restrict ICE enforcement interference at or around our Maine Schools, Daycares, Libraries and Healthcare facilities. These should be, and need to be, safe places for children and their families.
