

Amy Douglass
Lewiston
LD 2106

I am a parent of public school students. Children in Lewiston & Portland are terrified to walk to school for fear of unlawful detention, even if they are citizens or in this country legally. Randomly stopping children and other people of color on the streets is not law enforcement. Worse, detaining people without criminal records who are lawfully awaiting pending asylum claims is not targeting the 'worst of the worst' - it is unconstitutional harassment and unlawful detention. Please pass this bill.
