

Elliot Fuhrmann-MacGilvray
Scarborough
LD 2106

I, Elliot Fuhrmann-MacGilvray, oppose nonpublic records to be disclosed without judicial review to make sure that the citizens of Maine are safe against Immigrant Customs Enforcement. Without judicial review, the immigrant citizens of Maine are at risk of higher violence from ICE. To protect my neighbors and community, I urge you to support LD 2106 to keep the citizens of Maine safe.
