

Hi, my name is Sass Borodkin, I'm from Skowhegan and **this testimony is being written in support of LD 2106** An Act to Prohibit the Disclosure of Nonpublic Records Without Proper Judicial Review.

Typically, I write long testimonies trying to get legislators to see through the nuance of an issue, but there doesn't seem to be a whole lot of nuance that needs to be cut through here. There is endless footage of ICE terrorizing, assaulting, kidnapping, and killing people over the last few weeks.

Please protect us from them.
