LD 2106: An Act to Prohibit the Disclosure of Nonpublic Records Without Proper Judicial Review

Dear Senator Carney, Representative Kuhn and Members of the Judiciary Committee,

We are Katie and John Greenman, residents of Orland, Maine since 2014, formerly of Old Town for 36 years. We support the enactment of LD2106 to protect our immigrant and refugee communities from ICE enforcement of operations without valid judicial warrants in our schools, any medical facility, or libraries.

As individuals and as a family we have supported diversity in Maine communities through our work and volunteer activities. We support organizations that assist immigrants and refugees who have come for safety and opportunity in Maine. They need us and we need them.

ICE operations in Maine communities and elsewhere in our country have committed violent acts that have only resulted in instilling fear and separating families. If Maine citizens are expected to abide by State laws then ICE must also be bound to legal strictures.

We urge you to vote YES on LD2106.
