Re:Support for LD 2106

My name is Wendy Schlotterbeck. I am testifying in support of LD 2106

My support for this bill is pure and simple.

LD 2106 will protect the public health of Maine and help ensure people feel safer at public schools, hospitals and healthcare facilities, daycares, and libraries by prohibiting ICE from entering these locations to conduct immigration enforcement unless they can produce a valid judicial warrant signed by a judge. The bill also ensures that any information about a person's immigration status that is held by these entities is properly protected, unless federal law or a valid judicial warrant compels its sharing.

I strongly urge you to unanimously vote "ought to pass" on LD 2106.
