LD 2106

Senator Carney, Representative Kuhn and Honorable Members of the Judiciary Committee,  
I ask you to support LD 2106.

This bill provides some minimal safety for our new neighbors at a time when ICE is targeting terror on Maine, continuing to see how far they can go indiscriminately arresting people, acting unlawfully, unprofessionally and with impunity (the federal czar keeps spinning and blaming lawful protesters, and anyone but themselves.

Protect ALL Mainers from ICE untrained inhumane goons  
Pass 2106

Talk to Chicago about the actions they took to protect their residents. Protect US from ICE lawlessness
