

Marian Dressler  
Glenburn  
LD 2141

My name is Marian Dressler and I live on Pushaw Lake and support LD 2141. For Over 25 years I have been involved in both the Greater Pushaw Lake Association and Kukunsook Camp Owners Association. I served as treasurer of KCOA and participated in anything and everything that was necessary to perfect and preserve our beautiful lake. I am an active board member of both GPLA and KCOA and our property earned a Lake Support award for our commitment to Not only Pushaw but all our precious lakes in Maine. Additional funding is needed to assure our lakes remain clean.
