LD 395

Please support LD 395!

This bipartisan bill would modernize The Settlement Acts, ensuring tribes in Maine are not excluded when Congress passes federal legislation for tribes nationwide, as they have been at least 151 times in the past 40 years. This would benefit Wabanaki Nations, but also rural Maine.

As a member of the Wabanaki Ally Team at First Parish Unitarian Universalist in Portland, I believe in restorative justice for our wabanaki neighbors and friends. Please support this bill.

Thank you for your consideration and service.
