LD 785

I am writing in support of LD 785. For 40 years, the Wabanaki Nations have been blocked from accessing all of the federal self-determination policies that helped 570 other tribes create thousands of jobs and generate hundreds of millions in economic activity. Children have borne the effects of the settlement act's failures; and modernizing the settlement act is a win win for the Wabanaki Nations and for Maine overall. I support support Wabanaki self-determination, and I hope you will too.

Thank you for your time and your consideration of this important bill.
