RE: Testimony in support of LD 785, An Act to Enact the Remaining  
Recommendations of the Task Force on Change to the Maine Indian Claims  
Settlement Implementing Act

Senator Carney, Representative Kuhn, and members of the Committee on Judiciary,  
My name is Grace Cain and I live in Sebago.

I would like to extend my thanks for previous bipartisan support for many of the  
recommendations from the task force and hard work writing them into law.

I ask that you support LD 785, An Act to Enact the Remaining Recommendations of  
the Task Force on Change to the Maine Indian Claims Settlement Implementing Act.  
Please honor the expertise and dedication of all the task force members and the  
“living document” status of the original act by supporting this legislation and  
Wabanaki self-governance.

Thank you for your time and consideration,  
Grace Cain
