Sen. Carney, Rep. Kuhn, and members of the Joint Standing Committee on Judiciary,
Re: Support for LD 785, An Act to Advance Self-determination for Wabanaki
Nations

Please pass LD 785. The State of Maine must recognize the inherent sovereignty of the Wabanaki Nations and remove the barriers that have hindered the Nations ability to self-govern for decades. This legislation has bipartisan support. The people of Maine want this. This is a step that the State must take to heal past harms and move forward together.

Thank you.
