

MAINE MARITIME ACADEMY

A College of Engineering, Management, Science, and Transportation

Testimony in Support of LD 2212

Senator Rotundo, Chair, Representative Gattine, Chair, Senator Rafferty Jr., Chair, Representative Murphy, Chair and members of the Joint Standing Committee on Appropriations and Financial Affairs and members of the Education and Cultural Affairs Committee, I am Janet Waldron, Vice President for Financial and Institutional Services at Maine Maritime Academy.

This testimony is to support LD 2212's change to the Maine Maritime Academy Scholarship Fund as presented. As I understand it, LD 2212 adjusts the Casino funds to be distributed in compliance with Maine law. While every dollar is important to our students for financial aid, and all dollars are important to Maine Maritime Academy, we realize the scholarship funds are appropriated in accordance with a set formula and need to be adjusted accordingly.

Thank you for your attention.

We look forward to working with you during this Legislative Session.
