I'm asking you to include \$15 million of ongoing investment into the Child Care Affordability Program.

I am a newly-divorced mom of 3 kids ages 7,6, and 2. Programs like CCAP have helped me get back on my feet during a time when I never thought I would be able to get back into the workforce. I am now going back to college as well as working. Both of which I haven't been able to do full time in several years due to lack of childcare and funds. Programs like this gave me the courage I needed to leave a toxic marriage. They gave me hope that I would not have to navigate everything alone.
