LD 335

Honorable members of the Committee on Health and Human Services:

I am testifying here to strongly urge you to oppose LD 335.

I am extremely opposed to the idea of my tax dollars to be used to perform abortions.

This is simply wrong on many levels. The people of Maine are waking up to what has been happening behind the scenes and we will not tolerate being forced to pay for ending the lives of Maine babies.

Please end this Bill, LD 335.

Sincerely,

Margaret Hall
