

Alicia Collins
Sidney
LD 2174

Senator Tepler, Representative Doudera, and Honorable Members of the Committee
On Environment and Natural Resources.

My name is Alicia Collins. I represent the towns of Sidney and Vassalboro in District
61 and I am a member of the Selectboard in Sidney.

I am here to testify in opposition to LD 2174.

My testimony is brief and to the point.

This legislation is a solution looking for a problem that doesn't exist and is a "one
size fits all" bill that disrespects the ordinances created by local towns and
municipalities.

Having conversations with the Selectboard in Sidney, and receiving notice from the
Town Manager, in Vassalboro, both towns are in opposition to LD 2174.

Please vote ought not to pass.

Sincerely,

Alicia C. Collins

State Representative
