FVYD Non-profit 501c3 Petition Request- to Recover Reading Skills in our Maine Youth within our Public Schools!

***We are NOT a Literacy Program

10/2025

We at FVYD Recover the Reading Skills of our Youth. WE FVYD, **SAVE KIDS**, help **PARENTS**, their **TEACHERS** & may lower **School Taxes**. Our FVYD simple 15 min. essential program deserves your attention. We FVYD now here publicly ask the Maine Governor, & Maine Education Dept DOE. to review and employ this remarkable work with a collaborative of professions- for a Peer Panel Review- to consider its multitude of **WELL HEALTH** benefits. And..for its inclusion in all Maine Public Schools. Our purpose for this petition: To provide this short Maine program as a "Template for all States in America" to use for the same Reading Recovery benefits that will... **Save Our Kids & reduce school taxes**.

1. We , FVYD need your help. For 25 years-since 2000 our FVYD simple successful & essential short 12-week 15 min. program has been trying to get State Education Review to enter all Maine Public Schools as a **WELL HEALTH STUDENT RECOVERY TOOL** so students will read well.

2. **Federal Law --Every Student Succeed Act ESSA ;2015 -includes Community Non-Profit 501c3 Orgs.** may support education with our Every Student Succeed Act ESSA Innovative Initiatives- Our successful PhD work and program has Maine student data w the SY19-21 PhD level study run in Maine school -- with 10+ pages of Reference studies support. We also seek in Maine Learning Education Agency LEA status for our works consideration & inclusion in the future that may reduce State Education Budgets in the future.

3. **We have attempted to provide this simple solution in Maine**, second- This Pilot was run in Palm Beach County Schools, 1999.successfully www.myfuturevisioninc.com The Maine State Legislature (s) these past 23 years have us now speak to a 3- minute bell. We want to be heard & seen for a Peer Review Panel

4. **There is a need for you to know what our FVYD work will do!**
