WEST ROCKPORT
LD 2239

Senator Carney, Rep. Kuhn, and members of the Committee on the Judiciary:
Please vote to oppose LD 2239 which will roll back the Maine Human Rights Act and will harm trans youth and adults. It will also put at risk anyone, regardless of their sexual identity, of being subject to invasive scrutiny including genital examinations. It will create an atmosphere of fear in our schools for students and staff. This regressive bill is going to referendum this fall because of funding by an out of state billionaire, not because Mainers want this to happen. Civil rights protections should never be voted on by the general population because that is exactly who the oppressed group needs protection from. As a Unitarian Universalist, I believe in the inherent worth and dignity of every human being. Please oppose LD 2239 and send a message that the legislature does not support this referendum.
