It is common sense to have individuals show their ID when they vote!!! We make people show their ID for purchasing beer, flying on a plane, getting a library card (!), or buying tobacco!

Not having this simple requirement can present a TRUE threat to democracy! Currently in the state of Maine, anyone (!) could walk up to a clerk at a polling station and claim to be anyone else!!

Let's put common sense back where it belongs!!!! Showing one's ID is quick, simple, safe, and logical to anyone who wants to ensure a valid voting process.

Representatives (!) Support LD 34!!!
