

Good Afternoon,

Ladies and Gentlemen of the Veterans and Legal Affairs Committee.

My name is Amy McFarland, I am the President of the Maine Cannabis Union. We stand next to the Lobstermen's Union, and are affiliated with District 4. (The International Association of Machinists and Aerospace Workers.)

In addition to this, I am a patient and a cannabis farmer.

Today I am testifying in support of LD# 555.

Even though this bill does not affect our industry, we at the Maine Cannabis Union are still Mainers. We agree with increasing the plant count for home cultivation from 3 flowering plants, to 6 flowering plants.

Thank you for your time,

Amy McFarland

President, Maine Cannabis Union
