Testimony For Chapter 117/LD 394

Committee: Senator Rafferty, Representative Brennan & members of the  
Education and Cultural Affairs Committee,

**I am a detransitioner, featured in the new award-winning documentary  
Affirmation Generation. (<https://vimeo.com/800032857>)**

**I was a member & advocate of the lgbTQia transqueer gender cult for  
over 30 years. I was a transgender woman for over 20 years. I am a  
detransitioner. This cult destroyed me mentally & physically!**

**I was the suicidal transkid that is always brought up in these  
discussions. I was also a suicidal trans-adult because transition &  
affirmation do NOT take away confusion, depression or suicidal  
ideation. I sincerely believed I was a girl trapped in a boy body.**

**As a child, I was targeted, desensitized, groomed, molested, abused &  
sex-trafficked by this movement. My proof is my past! I am a registered  
sex offender due to what this cult did to me for more than 30 years! I was  
indoctrinated, victimized & criminalized by this cult.**

**Age 6 I was molested for the 1<sup>st</sup> of hundreds of times**

**Age 13 I overdosed on pills.**

**Age 14 I was a runaway, prostitute & was sex-trafficked. I began wrong-  
sex hormones, taking drugs & alcohol. I had HIV/AIDS at age 14.**

**Age 15 my mental health deteriorated from the hormones**

**Age 16 I attempted suicide again. A cry for help. Nobody heard my cry.  
I was also STERILE & had Osteoporosis before the age of 30, directly  
caused by wrong sex hormones.**

**Everyone that knew me thought I was happy, content & living my best  
life now as my "true-self". None of them knew I was sad, broken,  
hurting & depressed. Had I not been groomed by this cult I would not  
have destroyed myself; mind, body & soul!**

Chest binders keep girls from breathing normally, cause fluid buildup in their lungs & even cause serious injuries like broken ribs. While Puberty Blockers put little girls into pre-mature menopause, they also slow natural brain & bone development, and when paired with wrong-sex hormones ALWAYS CAUSE STERILITY.

This cult is medicalizing, experimenting on & mutilating children in the name of progression before they're able to make cognitive sound decisions & choices. They are trying to get you to take part in their assault on children, morality & logic.

Children must know it is okay to be gay but they do not have to be sexual or run into the rainbow cult; they must know that everyone is uncomfortable with their bodies as they grow & mature.

But in order for them to mature they must be allowed to go through puberty and develop normally & naturally without interference from synthetic poisons, devices, apparatuses or mental & emotional indoctrination by this cult.

PLEASE Do Not Allow This Assault On Children To Pass!

I am a detransitioner, featured in the new award-winning documentary Affirmation Generation: The Lies of Transgender Medicine.
