Senator Bailey, Representative Perry and members of the Health Coverage, Insurance and Financial Services

My name is Ruth Swanson I Reside in Unity, Me I come before you today to speak in support of LD 995

When all of us have any Major Health problems , we get second opinions

Common sense comes into play, why wouldn't we totally support Insurance Coverage for second opinions especially important when lives are at stake !

Legislators show that Maine cares about Life.

I ask the Committee to Vote ought to pass LD 995.

Thank you,
