**MAINE COALITION AGAINST  
SEXUAL ASSAULT**

May 8, 2023

Senator Carney, Representative Moonen, and Members of the Joint Standing Committee on Judiciary:

My name is Melissa Martin and I am submitting testimony today on behalf of the Maine Coalition Against Sexual Assault (MECASA), the organization which represents and serves Maine's sexual violence prevention and response programs as well as Maine's Children's Advocacy Centers. MECASA initiates and advocates for victim-centered public policy; provides expert training, technical assistance, and resources for providers and partners; and funds the service providers in your communities.

**MECASA is here today in support of LD 1865, an Act Establishing the Maine Sentencing Guidelines Commission. Thank you to Speaker Talbot Ross and Representatives Moonen and Reckitt for bringing this legislation.**

We support the establishment of the Maine Sentencing Guidelines Commission and the specific language of this bill because we believe this would lead to important work in developing sentencing guidelines.

**We do request two changes to current bill draft. First, we request that the Commission include a representative from an agency that serves survivors of sexual violence. We believe that those who work specifically with survivors of sexual violence have a valuable voice to add to the important work of this Commission. Second, we request that the definition of restorative justice in the bill be changed to match the existing law as codified at 34-A M.R.S. §1001(15-B), which defines it as "a practice in which offenders take responsibility for causing harm and engage in a facilitated process with victims, family members, community members, advocates and others impacted by the harm that focuses on repairing the harm, addressing needs and preventing future harm."**

Thank you for your consideration. We hope you will support LD 1865 and would be pleased to answer any questions you might have.

## About Maine's Sexual Assault Service Providers

One in five Mainers will experience sexual assault at some point in their lifetime.<sup>1</sup> Each year, 14,000 Mainers will experience sexual violence.<sup>2</sup>

Maine's sexual violence service providers provide free and confidential services across the state to victims/survivors of sexual harassment and sexual assault and those close to them, as well as to individuals who wish to increase their understanding of the issues. Just some of the services include a 24-hour statewide sexual assault helpline, crisis intervention and information, support groups, in-person accompaniment and advocacy through the medical and legal systems, and school- and community-based prevention education. Services are provided for a victim/survivor regardless of when they experienced sexual violence, and regardless of what type of sexual violence they experienced. Types of sexual violence include, but are not limited to, sexual harassment and gender-based bullying, child sexual abuse, elder sexual abuse, stalking, sex trafficking, and sexual violence within an intimate partner relationship.
