

LD 1619

“Before I formed you in the womb, I knew you.” Jeremiah 1:5

“You created my inmost being;
you knit me together in my mother’s womb.

So says the Creator of Heaven and Earth

I praise you because I am wonderfully made;
awesome are your works

My body was not hidden from you
when I was being made in secret.

When I was woven together in the depths of the earth,
you saw me in the womb.

My life was fashioned before it came into being.” Psalm 139

I am a practicing Catholic. The Catholic Church does not and never will support the killing of the unborn during the first, second or third trimester. The developing life in the womb is sacred. There are 2000+ daily abortions in the U.S. 5% are for rape. 0.5 for incest. There are 64.3 million people missing from our numbers since 1973. That includes Engineers, Doctors, Surgeons, Researchers, Scientists, Psychologists, Chaplains, Professional Athletes, Medical workers, Teachers, Fire Fighters, Police Officers . . . to name a few?

Since 1973, we Catholics have been praying for a change of hearts and minds. God answered our prayers on June 24, 2022. Do you think it wise to contravene on God’s answer to our prayers? Do not sign this barbaric and inhumane LD 1619 into Law. As the innocent and sinless Christ said from the cross, "Father forgive them, for they know not what they do.
