- Hope that each member here understand the gravity of the consequences of taking human life.
- This issue is murder of innocent children that does not have a say in the outcome.
- Just because a child's mother or father decides that this was a mistake or can't afford to have a child or it will mess up their plans in life!
- **THIS IS NOT A CONTRACEPTION!**
- **NOT FAMILY PLANNING.**
- There is a lifelong regret for the mother, father, grandparents.
- To give a woman a pill or to use a suction tube to tear a child apart.
- Forceps to tear the baby apart, limbs from the body, head from the body is barbaric.
- Have we gotten to a point that human life is dispensable and of no value if we don't want it. So, we dispose of that Human Life.

### ***EVERYBODY FOR ABORTION IS ALREADY BORN***

- Who is going to stand in the gap for the innocent unborn children? **You do!** You hold the keys!
- You help to establish laws that will not allow murdering children!
- Many of the children that have been aborted in the past that could have been productive individuals, just like you?

- How many of you would have been aborted for the same reasons women and men do today?
- Called a mistake, unwanted pregnancy, interruption of plans.
- We are talking about taking a human life and disposing it like garbage. Or selling its parts.
- **PICTURE NEWBORN:** (*attached*) cannot think that anybody would say it is ok to murder an innocent child, to discard as waste.

Do not know what your background may be, or religious understanding would be, but God's word is specific in these circumstances.

- **Exo 20:13** You shalt not kill.
- **Exo 23:7** Keep you far from a false matter; and the innocent and righteous slay you not: for I will not justify the wicked.
- **Psa 127:3** Lo, children *are* a heritage of the LORD: *and* the fruit of the womb *is his* reward.
- **Psa 127:4** As arrows *are* in the hand of a mighty man; so *are* children of the youth.

When we measure everything that is at risk about aborting/murder of innocent children and who's hands are going to get blood on them. We will be accountable for our decisions upon human life!
