

Senator Carney and Representative Moonen, Honorable Members
of the Joint Standing Committee on Judiciary:

My name is Irene Fancy from Presque Isle and I am here to testify
in opposition to LD1619.

In 1989, a young lady found herself pregnant and decided to
schedule an abortion. Just hours away from the abortion, a
woman talked to her about the value of life. That expectant
mother changed her mind and gave birth to a baby who is my son.
He is now a State Trooper in the great State of Maine. My
husband and I can't imagine our lives without him and he now has
two children of his own.

LD1619 is an extreme bill allowing abortion up until birth. 65% of
Mainers do not want this bill. Please listen to the people who
voted you into office and defeat this bill.

Please vote ought not to pass.
